Out of warranty: Any repair performed after warranty expiration may be eligible for goodwill consideration by the District Service Manager or your Zone Office. You must request consideration, and get a decision, before starting work.

REPAIR PROCEDURE

1. Remove the end cap from the flexible rod if the end cap is still there, and remove any remaining adhesive from the rod end with adhesive cleaner.
2. Apply a small amount of adhesive around the outside of the rod end.

3. Install the new end cap onto the rod end.
4. Repeat steps 1 thru 3 for the other three end caps.
